As you can see, it is not a simple editor, but it does the job to test your regular expressions. It is not free, though. If you want a free tester of your regex patterns, you can use online regular expression testers. Here are some online regex testers: MyRegexTester LiveRegexTester LeetRegEx RegularExpressionTester Runnable Expressions Ruby RegEx Tester Ruby Regular Expression Tester Javascript RegEx Tester etc. Also, you can use your own custom regex testers. This post is an entry for our blog. If you liked this post, please share it on your social media. S. Manimaran, M. Kumari, and G. S. Kasinathan.
